Converting P.W.D.lorry into an Ambulance Van for Mysore City A.R.P.

.....

I have the honor to state that an estimate amounting to Rs.800/- for converting the lorry of the P.W.D into an Ambulance Van was sanctioned in G.O.No.1488-84/W dated 4th September 1942(Copy enclosed for ready reference). In the estimate, materials required for the work and labour charges were shown separately. The available materials were purchased locally and the work was entrusted to a local body builder who completed the work except covering with canvas. Good canvas was not available locally and the same had to be got from Messrs.F.Harley & Co.,Calcutta, who supplied the same about 2 months back. The amount so far spent on this work as per our registers comes to Rs.802-8-0 Labour charges with necessary fixtures for putting the canvas covering is to be paid which amounts to Rs.141-8-0(as per the lowest quotation received).

In these circumstances, the total cost of converting the lorry into ambulance van will exceed the sanctioned amount by Rs.144-0-0. A revised estimate as per actual execution will be sent for sanction. In the meanwhile kind approval to incur this expenditure of Rs.144/0/0 is solicited as this is for the ambulance van which will always be useful. The ambulance van is now without any top canvas.
